The HEBALD is desirous of representing every neighborhood in the county, We furnish stationery free, Correspondents should bear in mind to write on one side of the paper only; indulge in no personalities and always sign your over name as well as the non-de-plume.

One sweetly, pleasant thought Comes to us o'er and o'er: It won't be jong till we can say,

Please do not close the door. Inter Ocean.

WHEN IT WILL DIE. A Kentucky Poem on the Democratic

Party's Lense of Life. When the lion eats grass like an ox.

And the fishing worm awallows a whale;

- When the terrapins kn t wooden socks, And the hare is outrue by the suall; When the surpents walk upright like men,
- And the doodle-bugs travel like froms, When the grasshopper feeds on hen. And feathers are found on hogs: When Thomas cats awim in the gir,
- And el phants roost upon t ces, When insects in summer are rare, And sunff never makes people suscee When fishes ercep over dry land.
- And mules on velocipedes ride When foxes lay eggs on the sand, And women in areas take no pride; When Dutchmen drink no lager beer,
- And girls get to preaching on time When billy goats butt from the r at. And treason no longer is crime: When humming hirds bray like an ass,
- And limberger smells like cologue, When plow-shares are made out of glass, And the hearts of true Texans of stone; When ideas grow in Republican heads, And wool on the hydraulic ram-
- Then the Democratic party will be dead, And the country won't be worth a -

No man is too poor to take his county newspaper and it is false economy to get along without it. Hardly a week passes that something does not appear in its columns that will be a financial benefit to the subscriber and by the end of the year he has made or saved from one to twenty times the subscription price. - Ex

A Magie View of It.

It is something of a reflection on the men that only one woman was saved from the wreck of the E be, and she charges that the men did their best to keep her out of the boat. One man I sped into a boat and left his wife standing on the deck of the doomed vessel. Guess we will have to revise our system of adjectives and say that men are not chivalrous and that their name is frailty -Register.

Blessed is the man who sitteth not in the seat of the kicker nor raingles bimself in the coogregation of the backs; but his delight is in new railroads and brick blocks and schemes to build up himself and his own town. And he shall be like an evergreen planted by h river of waters, his leaf shall no within in the early life like the cotton wood for the Eli of the boomer will get here, but the kicker will be left to hold the bag

Newspaper men always know more than they write; they always shield more than they expose; they are i'w more merciful than cruel, truly remarks the Des Moines Register. The man who trusts a newspaper man may rely on the fact that he will be treated fair y. It is the mean, contemptible, - 1 hypocrite that the us so paper a

No manly man was ever hart by a newpaper. And co one is quicker to see the mauger of man than the newspaper man who studies men and their actions day unto day .- Ex.

A newspaper man is blamed with a lat of things he cannot help, such as using partiality in mentioning visitors, giving news about some folks and leaving others out etc. He simply prints the news he can find. Some people inform hi a about such things and others do not As elitor should not be expected to know the names and residence of all your quoles, aunts, and cousins, even if he should see taem get off the train. Tell him about it. It's news that makes the newspaper and every woman and child can be an associate editor. - Ex

The New York Sun noticing the pictures of women gahool superintendents 15th lay of February of the following in the west, published in the American School Board Journal, remarks: "There is not a single pretty one among them. They all owe their places to their educational merits, and not to personal beauty or any firstations abilities." The Sun should take notice from this that "out west" women are valued for more than their good looks or for "flirtations abilities." The old fogies down East should not neglect the lessons artil all their ful to catch and passess buck, doe or anbrainy women emigrate to the west .- telope for the purpose of domestication Inter Ocean.

A story is going the rounds of the | ian. press of an editor and a rich widow who were engaged to be married. The neigh- growing better, there is yet great room bers began charging that he was marry- for improvement. We grown up folks ing her for riches. The young editor are too prone to exhaust our whole atwas vexed at this, and he persuaded his tention in matters, which per ain to the affinity to turn all her worldly pelf over interests and welfure of those whose to a grown daughter, and that would characters are already formed, and too prove to the world the sincerity of his | uc's disposed to neglect the pr per

In its amended condition, the Otiahoma game law provides that it shall be unlawful for any person to wound, kill, ensuare or trap, in any minuter within this territory, any dier, back, die, fawaor autolope, any prairie chiekens or any grouse, quail, wild turkey, wren, martin, swallow, rolin, nurkey buzzard or any insectivious brads, or to pursue the same with such intent; or to have the same in their possession, except it shall be lawful to shoot quail and wild turkey be tween the 15th day of October and the year, and to shoot player and daye, has tween the 1st of August and the 31st day of December of each year. Provided, it shall be tawful for way person or persons at any time to kill, destroy or have in their possession any wild turker, quail, player or dove for any purpose or under any pretext whatever except for their own private use as food. Be it further provided, that it shall be unlawu the territory .- Woodward Jefferson-

While in many respects, the world is

and the first night the editor and the In our great real to secure our own ad girl cloped, and the next morning the vancement, financially, politically and widow pied the forms in the office and religiously, we too often forget the wellwould have pied the editor if she had fare of our own dear children. In our

great rush for the interest, of the old or the present generation of grown up folks, we should remember, that the hope and future wellfare of our country desends altogether, upon the proper training and education of the rising generation, Let it be remembered that our children must are long hold all our offices of position, honor and trust. Socrates the createst philosopher of antiquity, realized his docuring to its fullest extent when at the risk of his life he undertook to teach to the young of his country a higher divinity than the false gods worshiped by his own pagan generation. Though death stared him in the face he labored to teach to the young the immortality of the soul, and continued so to each, even up to the very hour of his death. This great man recognized the fact, that in order to secure the future wellfare of his own beloved Athenian unpire, it were indispensibly nacessary to ook to the proper teaching and education of the young Parents, in your great forts for wealth and struggle for political ame don't, as you value your own old age, happiness and the wellfare and prosperity of your country, don't forget your children. - Arapahoe Argus.
